WAS BIG REUNION

HARMONY HOME COMING ATTENDED BY 2,500.

OTHER LIKE MEETINGS

Bedison, Workman and Palestine Churches Also Give Basket Dinners—Speaking and Music.

Home Coming Day at Harmony church yesterday was the greatest reunion the church ever had. A crowd estimated at nearly 2,500 persons was present. The people came from all the surrounding country and even from Iowa. At noon a count of the automobiles was made, but when 150 had been reached the count had to because the cars became so mixed. stop, because the cars became so mixed. There were twice as many carriages there as cars.

Although the heavy clouds that came up in the afternoon caused many of the people to leave, mostly those who were there in cars, a large number staid the day out. The shade and the cool breezes that swept across the hill made the day very pleasant and comfortable.

At 11 o'clock the principal address o fthe day was made by Dr. G. S. Stevens, chancellor of Kansas City university. Dr. Stevens chose as the subject of his address "Home Coming and the Meaning and Purposes of Life." He portrayed the characteristics common to the different kinds of life, the physical and intellectual life, and interpreted their meaning and value to men. But better and higher than these, he said, was the spiritual life. A correct training in this kind of life is necessary to make the final home coming a happy one. Dr. Stevens thought that the spirit of Harmony Home Coming Day gave evidence of the presence of a large spiritual life among the people and was a sign of preparation for the final home coming.

Dr. Stevens' address was carefully thought out and very well presented. He held the close attention of all his hearers.

Then came the noon hour and dinner. It was a dinner such as country people only can give. Fried chicken, of course, held a prominent place on the menu, or more properly in the heavily laden baskets of food. But there was an abundance of every other kind of food, and like the parable of the loaves and fishes, after the thousands were fed basketsful of good things were left. The only difference between this and the parable, however, was that instead of there being twelve basketfuls of crumbs left from fish and bread there were innumerable baskets of good food that had never been touched.

During the dinner hour the Harmony band played. The musical part of the program of the day was very good. Beside the band music, the program was interspersed with singing by the choir and the people.

In the afternoon the Rev. L. M. Hale, pastor of the First Baptist church of Maryville, delivered an address on "Fine Human Partnership." The other speakers of the afternoon were J. Kelley Wright, lecturer for the state board of agriculture, and Paul Culver, president of the Missouri Country Life Commission.

Yesterday was also the reunion day for several other of the churches of the county, Palestine church, the Bedison Christian church and Workman Chapel.

The Rev. Gilbert S. Cox, pastor of the First Methodist church of Maryville, spoke at the Palestine church in the afternoon. His address was preceded by the regular morning service and a basket dinner at noon. Rev. Cox's subject was "The Gospel of the Second Mile." Mr. Cox also sang a solo, and a quartet composed of Mr. Cox, P. O. Landon, Orlo Quinn and Rev. Mr. Spainhower sang. Many people were there from Graham, Skidmore, Maryville, Whitesville and St. Joseph.

Five hundred persons attended the reunion and basket dinner of the Workman Chapel, among them a number of persons from Maryville. The Rev. Mr. Carmichael, of Pickering, made the afternoon address. The Rev. Mr. Killion is going to preach at the Workman Chapel two Sunday afternoons a month for the rest of the summer.

The basket dinner of the Bedison Christian church was attended by fifty persons. The Rev. Abner Johnson and the Rev. J. D. Randolph, of Maryville, made the addresses. Mrs. F. P. Robinson, of Maryville, sang.

W. R. Groves and Charles Groves of Maitland spent Saturday in the city looking after business interests.

AGAINST MEMORIAL DAY PLAY.

G. A. R. Wants Better Observance of Decoration Day—Is Against Amusements.

The following resolutions were adopted by Sedgwick post, G. A. R., at their meeting Saturday:

Whereas, Memorial Day, commonly called Decoration Day, has been set apart by the common consent of the patriotic people of the United States for the purpose of doing honor to the memory of the deceased veterans of the Grand Army of the Republic, and is more and more coming to include all loved ones who have gone out of our homes; and

Whereas, The day has largely been given over to ministry of flowers and evergreens, the emblems of hope and of immortality. It therefore seems but fitting that the day should be so observed as to minister to the cultivating of a sense of appreciation of the worth of the lives of those whose graves we decorate and whose loss we mourn; therefore, be it

Resolved, That we, as members of Sedgwick post, No. 21, Department of Missouri, Grand Army of the Republic, can but look with disfavor upon all methods of amusement or so-called recreation on that day that ignore or sets aside its fundamental purposes, mainly to do honor to the memory of the deceased soldiers of the republic, and also of the loved ones who have gone out of our homes never to return.

Resolved, That we regret that certain of our business men of Maryville seemingly so far forget the solemn purpose of this day as to arrange for a game of base ball, not only on this day but at the same hour of the services which were arranged with a view to an observance in harmony with the purposes above stated.

Resolved, That it is our sincere hope and wish that the time will soon come when the good people of Maryville will put patriotism above a price computed in dollars and cents, and will observe this day in a manner that will appeal to the high moral sense of all good people.

Resolved, That a copy of these resolutions be spread upon the adjutant's journal, and that a copy be furnished to each of our city papers for publication.

J. M. EVANS,
J. D. DICKERSON,

Unanimously approved by the post this 20th day of June, 1914.

THREE ARE HURT

COLER FAMILY IN AUTOMOBILE ACCIDENT SATURDAY.

THE CAR OVERTURNED

Mrs. Coler and Children Received Broken Bones and Bruises, But Are Not Seriously Injured.

Mrs. Isaac Coler, her son and daughter were injured Saturday afternoon when their automobile turned over about two miles south of Maryville. Mrs. Coler's left wrist was dislocated and the arm broken, her daughter, Carrie, was bruised about the body and one of her elbows badly wrenched, and a deep gash was cut in the bottom of the son's foot. Mr. Coler, who was driving the car, was unhurt.

The Colers, who live ten miles south of Maryville, were on their way to College Springs, Ia., to visit their daughter and celebrate a birthday party. When they reached the Burris place, two miles south of town, about 5 o'clock, they tried to pass a wagon as they were going up hill. The road at that point slopes sharply to the sides, and as the car pulled around the wagon it upset. The car was going slowly, but the steepness of the slope caused it to tip over. Had the car been going faster the accident might have resulted fatally.

The top was up and that prevented the machine from turning completely over. The jar was sufficient, however, to injure the occupants painfully. The son was the only one thrown out. In some way he was pinned under the car. Mr. Coler lay down on his back, braced his feet against the car and raised it enough for the boy to crawl out from under it.

Mr. Cooper, a farmer living in that neighborhood, came along soon after in a car and brought the injured ones to town, where they were taken to the office of Dr. A. B. Allen and treated. Mr. Coler was assisted in righting his machine and then drove it to town to have a few minor repairs made and to take his family back home.

HE TRIES SUICIDE

ARTHUR VOGEL ATTEMPTS TO HANG HIMSELF TO TREE.

IS PRONOUNCED INSANE

Was Affected by Sunstroke Several Years Ago—Will Be Sent to St. Joseph Asylum.

Arthur Vogel, a man about 45 years old, and who is believed to be insane, tried to hang himself with the ropes of ... ildren's swing yesterday afternoon at his home, on South Hester street, in the southeast part of Maryville.

A little after dinner one of the Vogel children came running into the house of Henry Sours, a neighbor, and said that a man was choking. Rolla Sours ran out of the house to see what was the matter, and at the same time Frank O'Reilly, who was driving past in a buggy, stopped as he saw a man hanging by a rope from a box elder tree in the Vogel yard.

Mr. Sours and Mr. O'Reilly hurried to take the man down, but neither had a knife. By that time Henry Sours had arrived and with his knife the rope was cut.

The man was Arthur Vogel, who has lived in Maryville about one year, coming here from Stanberry, Mo. Evidently he had stood on a toy wagon, which was overturned nearby, wrapped the swing rope around his neck and kicked the wagon from under him. His feet were barely touching the ground. Mr. Vogel had also tried to stab himself in the neck with a screw driver. When taken down his neck was bleeding and the screw driver was found on the ground.

The man was unconscious and nearly strangled to death when found. Dr. Cummins was sent for and resuscitated him. Sheriff Wallace and Chief of Police Moberly were then called and took Mr. Vogel to the county jail, where he is waiting trial for insanity. He probably will be tried before the county court this afternoon.

Three or four years ago Mr. Vogel suffered a sunstroke, which affected his mind. He has not been able to do much work since then, and has done very little while he has lived in Maryville. He is married and has three children.

Late this afternoon the county court adjudged Arthur Vogel insane and he will be sent to hospital No. 2 in St. Joseph at once.

"When the county papers wroteup our wedding," Mrs. Dyer said, just after her marriage to James Dyer, "of course they had to tell that I had been married ten times. When Mr. Dyer read it he remarked, 'Good women, like good stock, are always in demand.'"

Mrs. Polly says her husbands were all good men, her marriages all happy ones. Although she had some trouble with one husband, Carpenter Smith—troubles so serious as to lead to a separation and divorce—still he was her favorite husband.

Charles C. Polly has been married before, too. He was granted a divorce from his former wife at the January term of court this year.

BOSTON BEAUTY SPECIALIST TO VISIT MARYVILLE

Ed G. Orear Looks Forward to Large Crowds During Her Week's Stay at the Rexall Store

Will Give Number of Free Facial Massages and Personal Advice in Your Home by Appointment.

An opportunity which is sure to prove as beneficial as it is rare will be afforded the women of Maryville and vicinity when Mrs. H. L. Long, the much talked of Beauty Specialist, now touring Missouri as representative of the United Drug Company of Boston—creators of the many Harmony Beauty Requisites and equally well known toilet preparations, starts her public demonstrations for the week commencing Monday, June 29, as the guest of Mr. E. G. Orear, proprietor of the Rexall Store and sole distributor of the Harmony Toilet Products in Maryville.

Mrs. Long contends that it is the privilege of every woman to take advantage of anything that will tend to lend a touch of added beauty to the skin; but, says Mrs. Long, "extreme care should be exercised to choose only such preparations that really do help nature in the beautifying of your complexion.

"Of course no one will question the assertion that the woman with the clean, well preserved skin is a much admired person anywhere," and, she continues, "if the woman of today would only take the care to treat the skin to the benefits of a good massage that she takes in reading the household section of the paper, we would see fewer wrinkles, and more, yet, a great many more women young at fifty."

We have no doubt about Mrs. Long's ability to offer the women of Maryville some very valuable advice, and Mr. Orear will, we feel sure, have a store full of the "fairer sex" during Mrs. Long's stay at The Rexall Store.

Mr. Orear tells us that he has a real beauty treat in store for the women of Maryville, so you'd better get ready for Mrs. Long's arrival, ladies. —Advertisement.

TOM WILES' HERD

MISSOPRI RURALIST TELLS OF NODAWAY JERSEYS.

OF NATIONAL REPUTE

John F. Case Says Local People Do Not Realize Quality Stock Mr. Wiles Raises.

John F. Case, editor of the Missouri Ruralist, in writing of the dairy cattle of Thomas Wiles, three miles north of Maryville, had the following to say in this week's issue of that paper.

"One of the best business Jersey herds in Missouri," said Dairy Commissioner E. G. Bennett. We were looking over the sleek well fed cows that were contentedly munching alfalfa hay in Tom Wiles' barn. These Jerseys looked different from many I had seen. There were none of the scrawny or delicate kind and some were so large I suspicioned cross-breeding, but Mr. Wiles assured us there was nothing but registered stock on his farm.

Thomas Wiles has been breeding pure bred Jerseys on his farm, three miles north of Maryville, Mo., for nineteen years. As there is not much local demand for the cattle of high quality produced at this farm few Nodaway county people know that Mr. Wiles has a national reputation among Jersey breeders. A buyer from California had trouble locating the Wiles farm after he landed at Maryville last year. The people knew of the Wiles dairy farm but they thought the stranger was mistaken in the place when he told about coming so far to see the herd.

A number of the Wiles Jerseys have been imported. Heading the herd now is a son of Golden Fern's Noble imported from the Isle of Jersey in March, 1913. The mother of this fine bull has a record of 3 pounds and 4 ounces of butter in twenty-four hours. Twenty-seven calves sired by this bull were frisking around in the calf pasture and they were a vigorous, healthy appearing lot. The calves are allowed to suck the mother for about four days after they are born, then they are taken away and fed whole milk for two weeks. After this period equal parts whole milk and skimmilk are given, the amount of whole milk being reduced gradually until skimmilk only is fed. The feeding buckets are kept clean and the little Jerseys thrive and make rapid growth.

During the spring months there are about 100 Jerseys on the Wiles farm, all registered or eligible to registry. The cows are fed silage, alfalfa hay and some bran in winter and have excellent pasture in summer. There are three silos on the farm and Mr. Wiles considers them a great help to the dairyman. About twenty acres of alfalfa has been sown and more of this valuable legume will be put out. More alfalfa means increased profit in the dairy business.

No test of the cows has been made at the Wiles farm although it is planned to do so for a number of the cows would undoubtedly go into the register of merit. The milk is weighed, though, and in that way they get a fairly good line on the cows that are producers. Commissioner Bennett informed us that thirty pounds of milk in twenty-four hours was a good average for any Jersey, but many of the Wiles Jerseys beat that. One cow bred on this farm gave fifty-six pounds of milk in twenty-four hours. The heifers are not bred until 18 months old or older and this helps keep up the size, vigor and production of the herd.

No milk is sold at the Wiles farm. The cream is separated and most of it is sold to Maryville dealers for the manufacture of ice cream. As the cream is of exceptionally high quality it brings a good price. During the ice cream season the cream is delivered at Maryville and is paid for by the gallon, 85 to 90 cents a gallon being the usual price.

Mr. Wiles has 180 acres of good Nodaway county land and his Jersey herd has made good money beside enriching the soil. The size and quality of the herd has increased every year, and as there are two energetic sons to carry on the business it should continue to grow. The Wiles Jerseys look like the farm kind you often hear about but seldom see. There should be more like them.

Herschel Wiles, the youngest member of the firm, is doing some gardening as a side line and has made money enough from the sale of plants and vegetables to start a small Jersey herd of his own. Two or three years ago Herschel met with an accident that kept him from working in the fields, so he took care of the garden. Everything grew so well that before long he had a surplus of vegetables and began selling a few in town. Maryville people soon began to order from this young hustler and now he makes a delivery every morning when he goes in to attend the Northwest Normal school. Young Wiles bought heifer calves from his dad and one of these days there will be a new herd of registered Jerseys near Maryville.

There should be more dairy farming in north Missouri. Although the land is high, few branches of farming offer better opportunities for money making and there is always the element of soil building to consider. Although the sales of high grade animals has helped make the Wiles herd a profitable one, the Jersey cow can always be depended upon to help increase her owner's bank account. Tom Wiles would not have kept Jerseys for nineteen years if they were not profit makers.

WILCOX ITEMS.

Rev. Mr. DeWitt preached two very excellent sermons Sunday. A fair sized audience was in attendance.

Dr. John is very sick at his home in New Market, Ia., of tuberculosis. He was a praciticing physician here for several years.

Carl Kidney has purchased a new binder and will begin cutting wheat for Henry McComb Monday.

The young people of the Sunday school class of Mrs. William Ritchie met at her home Thursday evening. They organized the class and will choose a name. The name committee is composed of Misses Dora Smith, Nettie Jensen, Hazel and Maude McComb. A short business session was held at which the following officers were elected: Dave Zarn, president; Augustus Shell, secretary; Nettie Jensen, treasurer; Hazel Cain and Virgil Ritchie, organists. Purple and gold were chosen as the class colors and the nasturtium as the flower. After a social hour refreshments were served by the hostess, assisted by her daughter, Miss Lucile. The class will meet next Thursday night at the home of the Misses Jensen, after which it will meet every two weeks at the home of some member of the class. KILLED BY LIONS OF HIS FIANCEE

Theatrical Man Enters Cage and is Attacked.

BEGINS PLAYING WITH THEM.

One Slinks Behind and in Minute is on His Back and Others Leap For Him Moment Later—One Tries Vainly to Save Him.

Chicago, June 22.—Emerison D. Dietrich of Brooklyn, manager of a theatrical production, presenting a troupe of lions, was killed and partly devoured by six lions when he entered the car in which they were caged. While the keepers were trying to recover Dietrich's body, a lion escaped from an adjoining cage and terrorized residents of the thickly populated quarter in which the car stood before the animal was captured.

George McCord, keeper of the lions said that when Dietrich went into the den and began to play with one of the lions, four of the animals were facing him. Finally one of them slunk around behind him and in a minute was on his back. The others leaped for him a moment later.

"Trilby," the oldest of the lions, tried to save him, but the others pushed her away and she quit and watched them without joining in the attack.

The lions were owned by Madam Adgie Castillo, to whom Dietrich was engaged to be married.

Robert L. Borden, premier of Canada; George E. Foster, minister of trade in Canada, and Walter E. Davidson, governor of Newfoundland, are made Knights of the Grand Cross of St. Michael and St. George. Among the knights bachelor named is Douglas Mawson, the explorer.

GIVES UP LOVER FOR PARENTS

Eastern Girl Renounces Sweetheart of Five Years.

New York, June 22.—"Frank, I love you unto death, but I must obey the wishes of my parents."

Tears streaming down her pretty cheeks, Louise Gordon parted from her sweetheart, Frank Lewis, after uttering these words in the chambers of Justice Houghton at New Brunswick, N. J. Thus culminated what at first appeared to be a high handed kidnaping of a pretty girl. The words brought tears to the eyes of the judge and those who stood by.

"I love Frank more than words can tell," the girl went on. "We have been sweethearts for five years. Several times I have told my parents of my love for him and my intention of becoming his wife, but they would not permit it. Their only reason was the difference of our religion. I know from the way they fret it would kill them if I married Frank. That is why I gave him up."

GENERAL VILLA MAKES DENIAL

Has Not Set Angeles Up as Revolt Chief or Slain Chao

LATTER VERY FAR FROM DEAD

Two Men Guests at Villa's Home and They Parted on Best of Terms—Soldiers Now Surrounding Mazatlan Said to Be Tried of Fighting.

Torreon, Mex., June 22.—General Villa denied rumors that General Angeles had been proclaimed provisional president by General Villa and that General Chao had been executed. As soon as the reports reached his headquarters General Villa said that he had heard nothing of General Angeles' dismissal from Carranza's cabinet, as reported from Saltillo. General Chao was seen here two days ago as he was about to entrain his troops to move against Zacatecas. General Angeles has been near Zacatecas with the artillery brigade for the last four days. The report that General Angeles had been made provisional president was received at headquarters here with frank surprise.

"The story that I executed General Chao is a malicious lie," declared General Villa. "General Chao is with the division of the north near Zacatecas and far from dead. Two days ago he was a guest at my house and the two of us parted on the best of terms. The story is a fabrication. I must say the same of the rumor that I proclaimed General Angeles provisional president of the Mexican republic. I have done nothing of the sort, no matter who said so, and nothing has been further from my mind. As to the story that General Carranza has deposed General Angeles as secretary of war, I know nothing.'

Constitutionalist officers of the force besieging Mazatlan said that orders had been received to withhold an attack indefinitely. The troops now surrounding the city expect to be relieved and are tired of fighting. The Constitutionalists have captured Las Penas, on Panderous bay, about 200 miles south of Mazatlan.

NEW ANGLE IN MEDIATION

Commissioners Propose New Course of Action, Prolonging Meet.

Niagara Falls, Ont., June 22.—The mediators proposed a new course of action, which not only will protong the proceedings, but may eventually work out a solution of the Mexican problem.

The nature of the plan which is designed to prevent the deadlock between the American and Mexican delegates from abruptly ending the conference has been closely guarded. It became known, however, that another effort was being made to bring the Constitutionalists into close touch with the purpose of mediation without formally admitting them. The suggestion contemplates separate conferences between the American delegates and representatives of the Constitutionalists.

Justice Lamar and Frederick W. Lehmann would continue their dealings with the Huerta delegates through the mediation board. In this way all elements in the Mexican situation would be drawn together and there would be no necessity for the declaration of an armistice until some agreement was reached and be approved by the Constitutionalists.

FIGHTING AT ZACATECAS

Three Federal Positions Captured by Constitutionalists.

Saltillo, June 22.—Fighting has been resumed at Zacatecas under direct command of General Villa, according to dispatches received here. It was said that three positions held by the federals had been captured by the Constitutionalists. No report of the casualties has been received. News is expected at any moment that General Obregon has attacked Guadalajara.

The entire northern part of the state of Vera Cruz and most of the state of Puebla now are under control of the rebels, according to announcement at General Carranza's headquarters here. General Nicholas Flores reported by telegram that he had taken the town of Orizatlan, in the state of Hidalgo, and placed himself and 4,000 men at the orders of General Carranza. A report signed by more than a thousand citizens of that town declared civil government and municipal offices had been established by a popular election.

Round Trip Fair Rates Fixed.

San Francisco, June 22.—Round trip fares from eastern points to San Francisco for the Panama-Pacific exposition in 1915 was fixed by the railroads of the Eastern Trunk Lines association, it was announced by the exposition traffic department. They are: New York city, $94.30; Philadelphia, $92.95; Washington, $92.30.

Goes Crazy Over Checkers.

Terre Haute, Ind., June 22.—Hal Stoddard, after attempting to end his life by shooting, was adjudged insane. The cause of Stoddard's insanity is said to have been puzzling over checkers.

Banana the Price of Two Lives.

Milner, Ga., June 22.—Homer Maddox and Harry Barry are dead as a result of a gun battle fought on the street here following a quarrel over a banana.

DAILY DEMOCRAT FORUM

LARGEST CIRCULATION OF ANY DAILY PAPER IN ANY MISSOURI TOWN OF 5000 POPULATION

VOLUME 5. MARYVILLE, MISSOURI, MONDAY, JUNE 22, 1914. NO. 16.

WAS BIG REUNION

HARMONY HOME COMING ATTENDED BY 2,500.

OTHER LIKE MEETINGS

Bedison, Workman and Palestine Churches Also Give Basket Dinners—Speaking and Music.

Home Coming Day at Harmony church yesterday was the greatest reunion the church ever had. A crowd estimated at nearly 2,500 persons was present. The people came from all the surrounding country and even from Iowa. At noon a count of the automobiles was made, but when 150 had been reached the count had to because the cars became so mixed. stop, because the cars became so mixed. There were twice as many carriages there as cars.

Although the heavy clouds that came up in the afternoon caused many of the people to leave, mostly those who were there in cars, a large number staid the day out. The shade and the cool breezes that swept across the hill made the day very pleasant and comfortable.

At 11 o'clock the principal address o fthe day was made by Dr. G. S. Stevens, chancellor of Kansas City university. Dr. Stevens chose as the subject of his address "Home Coming and the Meaning and Purposes of Life." He portrayed the characteristics common to the different kinds of life, the physical and intellectual life, and interpreted their meaning and value to men. But better and higher than these, he said, was the spiritual life. A correct training in this kind of life is necessary to make the final home coming a happy one. Dr. Stevens thought that the spirit of Harmony Home Coming Day gave evidence of the presence of a large spiritual life among the people and was a sign of preparation for the final home coming.

Dr. Stevens' address was carefully thought out and very well presented. He held the close attention of all his hearers.

Then came the noon hour and dinner. It was a dinner such as country people only can give. Fried chicken, of course, held a prominent place on the menu, or more properly in the heavily laden baskets of food. But there was an abundance of every other kind of food, and like the parable of the loaves and fishes, after the thousands were fed basketsful of good things were left. The only difference between this and the parable, however, was that instead of there being twelve basketfuls of crumbs left from fish and bread there were innumerable baskets of good food that had never been touched.

During the dinner hour the Harmony band played. The musical part of the program of the day was very good. Beside the band music, the program was interspersed with singing by the choir and the people.

In the afternoon the Rev. L. M. Hale, pastor of the First Baptist church of Maryville, delivered an address on "Fine Human Partnership." The other speakers of the afternoon were J. Kelley Wright, lecturer for the state board of agriculture, and Paul Culver, president of the Missouri Country Life Commission.

Yesterday was also the reunion day for several other of the churches of the county, Palestine church, the Bedison Christian church and Workman Chapel.

The Rev. Gilbert S. Cox, pastor of the First Methodist church of Maryville, spoke at the Palestine church in the afternoon. His address was preceded by the regular morning service and a basket dinner at noon. Rev. Cox's subject was "The Gospel of the Second Mile." Mr. Cox also sang a solo, and a quartet composed of Mr. Cox, P. O. Landon, Orlo Quinn and Rev. Mr. Spainhower sang. Many people were there from Graham, Skidmore, Maryville, Whitesville and St. Joseph.

Five hundred persons attended the reunion and basket dinner of the Workman Chapel, among them a number of persons from Maryville. The Rev. Mr. Carmichael, of Pickering, made the afternoon address. The Rev. Mr. Killion is going to preach at the Workman Chapel two Sunday afternoons a month for the rest of the summer.

The basket dinner of the Bedison Christian church was attended by fifty persons. The Rev. Abner Johnson and the Rev. J. D. Randolph, of Maryville, made the addresses. Mrs. F. P. Robinson, of Maryville, sang.

W. R. Groves and Charles Groves of Maitland spent Saturday in the city looking after business interests.

AGAINST MEMORIAL DAY PLAY.

G. A. R. Wants Better Observance of Decoration Day—Is Against Amusements.

The following resolutions were adopted by Sedgwick post, G. A. R., at their meeting Saturday:

Whereas, Memorial Day, commonly called Decoration Day, has been set apart by the common consent of the patriotic people of the United States for the purpose of doing honor to the memory of the deceased veterans of the Grand Army of the Republic, and is more and more coming to include all loved ones who have gone out of our homes; and

Whereas, The day has largely been given over to ministry of flowers and evergreens, the emblems of hope and of immortality. It therefore seems but fitting that the day should be so observed as to minister to the cultivating of a sense of appreciation of the worth of the lives of those whose graves we decorate and whose loss we mourn; therefore, be it

Resolved, That we, as members of Sedgwick post, No. 21, Department of Missouri, Grand Army of the Republic, can but look with disfavor upon all methods of amusement or so-called recreation on that day that ignore or sets aside its fundamental purposes, mainly to do honor to the memory of the deceased soldiers of the republic, and also of the loved ones who have gone out of our homes never to return.

Resolved, That we regret that certain of our business men of Maryville seemingly so far forget the solemn purpose of this day as to arrange for a game of base ball, not only on this day but at the same hour of the services which were arranged with a view to an observance in harmony with the purposes above stated.

Resolved, That it is our sincere hope and wish that the time will soon come when the good people of Maryville will put patriotism above a price computed in dollars and cents, and will observe this day in a manner that will appeal to the high moral sense of all good people.

Resolved, That a copy of these resolutions be spread upon the adjutant's journal, and that a copy be furnished to each of our city papers for publication.

C. H. JOHN,
J. M. EVANS,
J. D. DICKERSON,

THREE ARE HURT

COLER FAMILY IN AUTOMOBILE ACCIDENT SATURDAY.

THE CAR OVERTURNED

Mrs. Coler and Children Received Broken Bones and Bruises, But Are Not Seriously Injured.

Mrs. Isaac Coler, her son and daughter were injured Saturday afternoon when their automobile turned over about two miles south of Maryville. Mrs. Coler's left wrist was dislocated and the arm broken, her daughter, Carrie, was bruised about the body and one of her elbows badly wrenched, and a deep gash was cut in the bottom of the son's foot. Mr. Coler, who was driving the car, was unhurt.

The Colers, who live ten miles south of Maryville, were on their way to College Springs, Ia., to visit their daughter and celebrate a birthday party. When they reached the Burris place, two miles south of town, about 5 o'clock, they tried to pass a wagon as they were going up hill. The road at that point slopes sharply to the sides, and as the car pulled around the wagon it upset. The car was going slowly, but the steepness of the slope caused it to tip over. Had the car been going faster the accident might have resulted fatally.

The top was up and that prevented the machine from turning completely over. The jar was sufficient, however, to injure the occupants painfully. The son was the only one thrown out. In some way he was pinned under the car. Mr. Coler lay down on his back, braced his feet against the car and raised it enough for the boy to crawl out from under it.

Mr. Cooper, a farmer living in that neighborhood, came along soon after in a car and brought the injured ones to town, where they were taken to the office of Dr. A. B. Allen and treated. Mr. Coler was assisted in righting his machine and then drove it to town to have a few minor repairs made and to take his family back home.

HE TRIES SUICIDE

ARTHUR VOGEL ATTEMPTS TO HANG HIMSELF TO TREE.

IS PRONOUNCED INSANE

Was Affected by Sunstroke Several Years Ago—Will Be Sent to St. Joseph Asylum.

Arthur Vogel, a man about 45 years old, and who is believed to be insane, tried to hang himself with the ropes of the children's swing yesterday afternoon at his home, on South Hester street, in the southeast part of Maryville.

A little after dinner one of the Vogel children came running into the house of Henry Sours, a neighbor, and said that a man was choking. Rolla Sours ran out of the house to see what was the matter, and at the same time Frank O'Reilly, who was driving past in a buggy, stopped as he saw a man hanging by a rope from a box elder tree in the Vogel yard.

Mr. Sours and Mr. O'Reilly hurried to take the man down, but neither had a knife. By that time Henry Sours had arrived and with his knife the rope was cut.

The man was Arthur Vogel, who has lived in Maryville about one year, coming here from Stanberry, Mo. Evidently he had stood on a toy wagon, which was overturned nearby, wrapped the swing rope around his neck and kicked the wagon from under him. His feet were barely touching the ground. Mr. Vogel had also tried to stab himself in the neck with a screw driver. When taken down his neck was bleeding and the screw driver was found on the ground.

The man was unconscious and nearly strangled to death when found. Dr. Cummins was sent for and resuscitated him. Sheriff Wallace and Chief of Police Moberly were then called and took Mr. Vogel to the county jail, where he is waiting trial for insanity. He probably will be tried before the county court this afternoon.

Three or four years ago Mr. Vogel suffered a sunstroke, which affected his mind. He has not been able to do much work since then, and has done very little while he has lived in Maryville. He is married and has three children.

Late this afternoon the county court adjudged Arthur Vogel insane and he will be sent to hospital No. 2 in St. Joseph at once.

BOSTON BEAUTY SPECIALIST TO VISIT MARYVILLE

Ed G. Orear Looks Forward to Large Crowds During Her Week's Stay at the Rexall Store

Will Give Number of Free Facial Massages and Personal Advice in Your Home by Appointment.

An opportunity which is sure to prove as beneficial as it is rare will be afforded the women of Maryville and vicinity when Mrs. H. L. Long, the much talked of Beauty Specialist, now touring Missouri as representative of the United Drug Company of Boston—creators of the many Harmony Beauty Requisites and equally well known toilet preparations, starts her public demonstrations for the week commencing Monday, June 29, as the guest of Mr. E. G. Orear, proprietor of the Rexall Store and sole distributor of the Harmony Toilet Products in Maryville.

Mrs. Long contends that it is the privilege of every woman to take advantage of anything that will tend to lend a touch of added beauty to the skin; but, says Mrs. Long, "extreme care should be exercised to choose only such preparations that really do help nature in the beautifying of your complexion.

"Of course no one will question the assertion that the woman with the clean, well preserved skin is a much admired person anywhere," and, she continues, "if the woman of today would only take the care to treat the skin to the benefits of a good massage that she takes in reading the household section of the paper, we would see fewer wrinkles, and more, yet, a great many more women young at fifty."

We have no doubt about Mrs. Long's ability to offer the women of Maryville some very valuable advice, and Mr. Orear will, we feel sure, have a store full of the "fairer sex" during Mrs. Long's stay at The Rexall Store.

Mr. Orear tells us that he has a real beauty treat in store for the women of Maryville, so you'd better get ready for Mrs. Long's arrival, ladies. —Advertisement.

TOM WILES' HERD

MISSOURI RURALIST TELLS OF NODAWAY JERSEYS.

OF NATIONAL REPUTE

John F. Case Says Local People Do Not Realize Quality Stock Mr. Wiles Raises.

John F. Case, editor of the Missouri Ruralist, in writing of the dairy cattle of Thomas Wiles, three miles north of Maryville, had the following to say in this week's issue of that paper.

"One of the best business Jersey herds in Missouri," said Dairy Commissioner E. G. Bennett. We were looking over the sleek well fed cows that were contentedly munching alfalfa hay in Tom Wiles' barn. These Jerseys looked different from many I had seen. There were none of the scrawny or delicate kind and some were so large I suspicioned cross-breeding, but Mr. Wiles assured us there was nothing but registered stock on his farm.

Thomas Wiles has been breeding pure bred Jerseys on his farm, three miles north of Maryville, Mo., for nineteen years. As there is not much local demand for the cattle of high quality produced at this farm few Nodaway county people know that Mr. Wiles has a national reputation among Jersey breeders. A buyer from California had trouble locating the Wiles farm after he landed at Maryville last year. The people knew of the Wiles dairy farm but they thought the stranger was mistaken in the place when he told about coming so far to see the herd.

A number of the Wiles Jerseys have been imported. Heading the herd now is a son of Golden Fern's Noble imported from the Isle of Jersey in March, 1913. The mother of this fine bull has a record of 3 pounds and 4 ounces of butter in twenty-four hours. Twenty-seven calves sired by this bull were frisking around in the calf pasture and they were a vigorous, healthy appearing lot. The calves are allowed to suck the mother for about four days after they are born, then they are taken away and fed whole milk for two weeks. After this period equal parts whole milk and skimmilk are given, the amount of whole milk being reduced gradually until skimmilk only is fed. The feeding buckets are kept clean and the little Jerseys thrive and make rapid growth.

During the spring months there are about 100 Jerseys on the Wiles farm, all registered or eligible to registry. The cows are fed silage, alfalfa hay and some bran in winter and have excellent pasture in summer. There are three silos on the farm and Mr. Wiles considers them a great help to the dairyman. About twenty acres of alfalfa has been sown and more of this valuable legume will be put out. More alfalfa means increased profit in the dairy business.

No test of the cows has been made at the Wiles farm although it is planned to do so for a number of the cows would undoubtedly go into the register of merit. The milk is weighed, though, and in that way they get a fairly good line on the cows that are producers. Commissioner Bennett informed us that thirty pounds of milk in twenty-four hours was a good average for any Jersey, but many of the Wiles Jerseys beat that. One cow bred on this farm gave fifty-six pounds of milk in twenty-four hours. The heifers are not bred until 18 months old or older and this helps keep up the size, vigor and production of the herd.

No milk is sold at the Wiles farm. The cream is separated and most of it is sold to Maryville dealers for the manufacture of ice cream. As the cream is of exceptionally high quality it brings a good price. During the ice cream season the cream is delivered at Maryville and is paid for by the gallon, 85 to 90 cents a gallon being the usual price.

Mr. Wiles has 180 acres of good Nodaway county land and his Jersey herd has made good money beside enriching the soil. The size and quality of the herd has increased every year, and as there are two energetic sons to carry on the business it should continue to grow. The Wiles Jerseys look like the farm kind you often hear about but seldom see. There should be more like them.

Herschel Wiles, the youngest member of the firm, is doing some gardening as a side line and has made money enough from the sale of plants and vegetables to start a small Jersey herd of his own. Two or three years ago Herschel met with an accident that kept him from working in the fields, so he took care of the garden. Everything grew so well that before long he had a surplus of vegetables and began selling a few in town. Maryville people soon began to order from this young hustler and now he makes a delivery every morning when he goes in to attend the Northwest Normal school. Young Wiles bought heifer calves from his dad and one of these days there will be a new herd of registered Jerseys near Maryville.

There should be more dairy farming in north Missouri. Although the land is high, few branches of farming offer better opportunities for money making and there is always the element of soil building to consider. Although the sales of high grade animals has helped make the Wiles herd a profitable one, the Jersey cow can always be depended upon to help increase her owner's bank account. Tom Wiles would not have kept Jerseys for nineteen years if they were not profit makers.

KILLED BY LIONS OF HIS FIANCEE

Theatrical Man Enters Cage and is Attacked.

BEGINS PLAYING WITH THEM.

One Slinks Behind and In Minute Is on His Back and Others Leap For Him Moment Later—One Tries Vainly to Save Him.

Chicago, June 22.—Emerison D. Dietrich of Brooklyn, manager of a theatrical production, presenting a troupe of lions, was killed and partly devoured by six lions when he entered the car in which they were caged. While the keepers were trying to recover Dietrich's body, a lion escaped from an adjoining cage and terrorized residents of the thickly populated quarter in which the car stood before the animal was captured.

George McCord, keeper of the lions said that when Dietrich went into the den and began to play with one of the lions, four of the animals were facing him. Finally one of them slunk around behind him and in a minute was on his back. The others leaped for him a moment later.

"Trilby," the oldest of the lions, tried to save him, but the others pushed her away and she quit and watched them without joining in the attack.

The lions were owned by Madam Adgie Castillo, to whom Dietrich was engaged to be married.

GIVES UP LOVER FOR PARENTS

Eastern Girl Renounces Sweetheart of Five Years.

New York, June 22.—"Frank, I love you unto death, but I must obey the wishes of my parents."

Tears streaming down her pretty cheeks, Louise Gordon parted from her sweetheart, Frank Lewis, after uttering these words in the chambers of Justice Houghton at New Brunswick, N. J. Thus culminated what at first appeared to be a high handed kidnaping of a pretty girl. The words brought tears to the eyes of the judge and those who stood by.

"I love Frank more than words can tell," the girl went on. "We have been sweethearts for five years. Several times I have told my parents of my love for him and my intention of becoming his wife, but they would not permit it. Their only reason was the difference of our religion. I know from the way they fret it would kill them if I married Frank. That is why I gave him up."

GENERAL VILLA MAKES DENIAL

Has Not Set Angeles Up as Revolt Chief or Slain Chao

LATTER VERY FAR FROM DEAD

Two Men Guests at Villa's Home and They Parted on Best of Terms—Soldiers Now Surrounding Mazatlan Said to Be Tried of Fighting.

Torreon, Mex., June 22.—General Villa denied rumors that General Angeles had been proclaimed provisional president by General Villa and that General Chao had been executed. As soon as the reports reached his headquarters General Villa said that he had heard nothing of General Angeles' dismissal from Carranza's cabinet, as reported from Saltillo. General Chao was seen here two days ago as he was about to entrain his troops to move against Zacatecas. General Angeles has been near Zacatecas with the artillery brigade for the last four days. The report that General Angeles had been made provisional president was received at headquarters here with frank surprise.

"The story that I executed General Chao is a malicious lie," declared General Villa. "General Chao is with the division of the north near Zacatecas and far from dead. Two days ago he was a guest at my house and the two of us parted on the best of terms. The story is a fabrication. I must say the same of the rumor that I proclaimed General Angeles provisional president of the Mexican republic. I have done nothing of the sort, no matter who said so, and nothing has been further from my mind. As to the story that General Carranza has deposed General Angeles as secretary of war, I know nothing."

Constitutionalist officers of the force besieging Mazatlan said that orders had been received to withhold an attack indefinitely. The troops now surrounding the city expect to be relieved and are tired of fighting. The Constitutionalists have captured Las Penas, on Banderous bay, about 200 miles south of Mazatlan.

NEW ANGLE IN MEDIATION

Commissioners Propose New Course of Action, Prolonging Meet.

Niagara Falls, Ont., June 22.—The mediators proposed a new course of action, which not only will prolong the proceedings, but may eventually work out a solution of the Mexican problem.

The nature of the plan which is designed to prevent the deadlock between the American and Mexican delegates from abruptly ending the conference has been closely guarded. It became known, however, that another effort was being made to bring the Constitutionalists into close touch with the purpose of mediation without formally admitting them. The suggestion contemplates separate conferences between the American delegates and representatives of the Constitutionalists.

Justice Lamar and Frederick W. Lehmann would continue their dealings with the Huerta delegates through the mediation board. In this way all elements in the Mexican situation would be drawn together and there would be no necessity for the declaration of an armistice until some agreement was reached and be approved by the Constitutionalists.

FIGHTING AT ZACATECAS

Three Federal Positions Captured by Constitutionalists.

Saltillo, June 22.—Fighting has been resumed at Zacatecas under direct command of General Villa, according to dispatches received here. It was said that three positions held by the federals had been captured by the Constitutionalists. No report of the casualties has been received. News is expected at any moment that General Obregon has attacked Guadalajara.

The entire northern part of the state of Vera Cruz and most of the state of Puebla now are under control of the rebels, according to announcement at General Carranza's headquarters here. General Nicholas Flores reported by telegram that he had taken the town of Orizatlan, in the state of Hidalgo, and placed himself and 4,000 men at the orders of General Carranza. A report signed by more than a thousand citizens of that town declared civil government and municipal offices had been established by a popular election.

Round Trip Fair Rates Fixed.

San Francisco, June 22.—Round trip fares from eastern points to San Francisco for the Panama-Pacific exposition in 1915 was fixed by the railroads of the Eastern Trunk Lines association, it was announced by the exposition traffic department. They are: New York city, $94.30; Philadelphia, $92.95; Washington, $92.30.

Goes Crazy Over Checkers.

Terre Haute, Ind., June 22.—Hal Stoddard, after attempting to end his life by shooting, was adjudged insane. The cause of Stoddard's insanity is said to have been puzzling over checkers.

Banana the Price of Two Lives.

Milner, Ga., June 22.—Homer Maddox and Harry Barry are dead as a result of a gun battle fought on the street here following a quarrel over a banana.
